The showpiece of the charity event is the Bahre Collection of antique and classic cars. The collection, housed at the birthplace of Hannibal Hamlin (Abraham Lincoln's first vice-president), is open once a year to the public. The collection of over 50 vehicles includes one of the world's finest assemblages of Packards. The Packard collection features Dietrich V-windshield body styles and LeBaron V-windshield body styles on the Packard 12 chassis for 1932-34, the one-off front-wheel-drive prototype sedan, a 1906 Model S touring car and other specialty Packards. There are also American Classics such as Duesenbergs, Cadillac, Stutz, and Graham-Paige; foreign classics such as Delahaye, Isotta Fraschini, Hispano-Suiza, Mercedes-Benz and Alfa-Romeo; and an eclectic grouping of brass-era cars (including two electric cars), a Tucker, a Harley-Davidson, the original Chitty-Chitty-Bang-Bang II from 1921, and later-model sports cars. There is an antique doll & toy collection, horse-drawn carriages, player pianos, old phonographs, table-top instruments, and a jukebox.

Lunch options are available, and there will be a craft fair on the Village Green with vendors selling a variety of handcrafted items. To reach Paris Hill and the Hamlin Memorial Library from the south, take Exit 63 off I-95. Then take Route 26 North all the way through South Paris and turn right onto Paris Hill Road. Follow the road up the hill and take a left onto Hannibal Hamlin Drive. We are the only little jail on the left-hand side of the road!
